

An ISO 9001 : 2015 Certified Company

C R E A T I N G C O N S C I O U S T O O L I N G

pragati
engineering

is one of the leading Press Tool Design & Manufacturing Company, established in the year 2004. We manufacture quality dies, fixtures as per Customer's Requirements.

At Pragati, our dedication to customers is rooted in a deep sense of responsibility that is shared by all of our employees.

Pragati Engineering, an ISO 9001: 2015 certified division caters to the entire tooling solutions and has a National reach.

We have well Qualified, Dynamic Engineers in design department and tool room division. We also have skilled manpower. We follow straight quality control measures at every stage of manufacturing process. We have competency in manufacturing of Press tools fixtures and panel checkers for various critical sheet metal components and assemblies.

With new technologies, facilities and experience in press tooling, we are confident to cater any requirements in sheet metal.

VISION

Being an exemplary organization that becomes a “ROLE MODEL”
for the sheet metal tooling industry and sets a BENCHMARK.

MISSION

Becoming a role model by providing extraordinary quality dies, following with world class system for
exponentially growth, complete customer & employee satisfaction

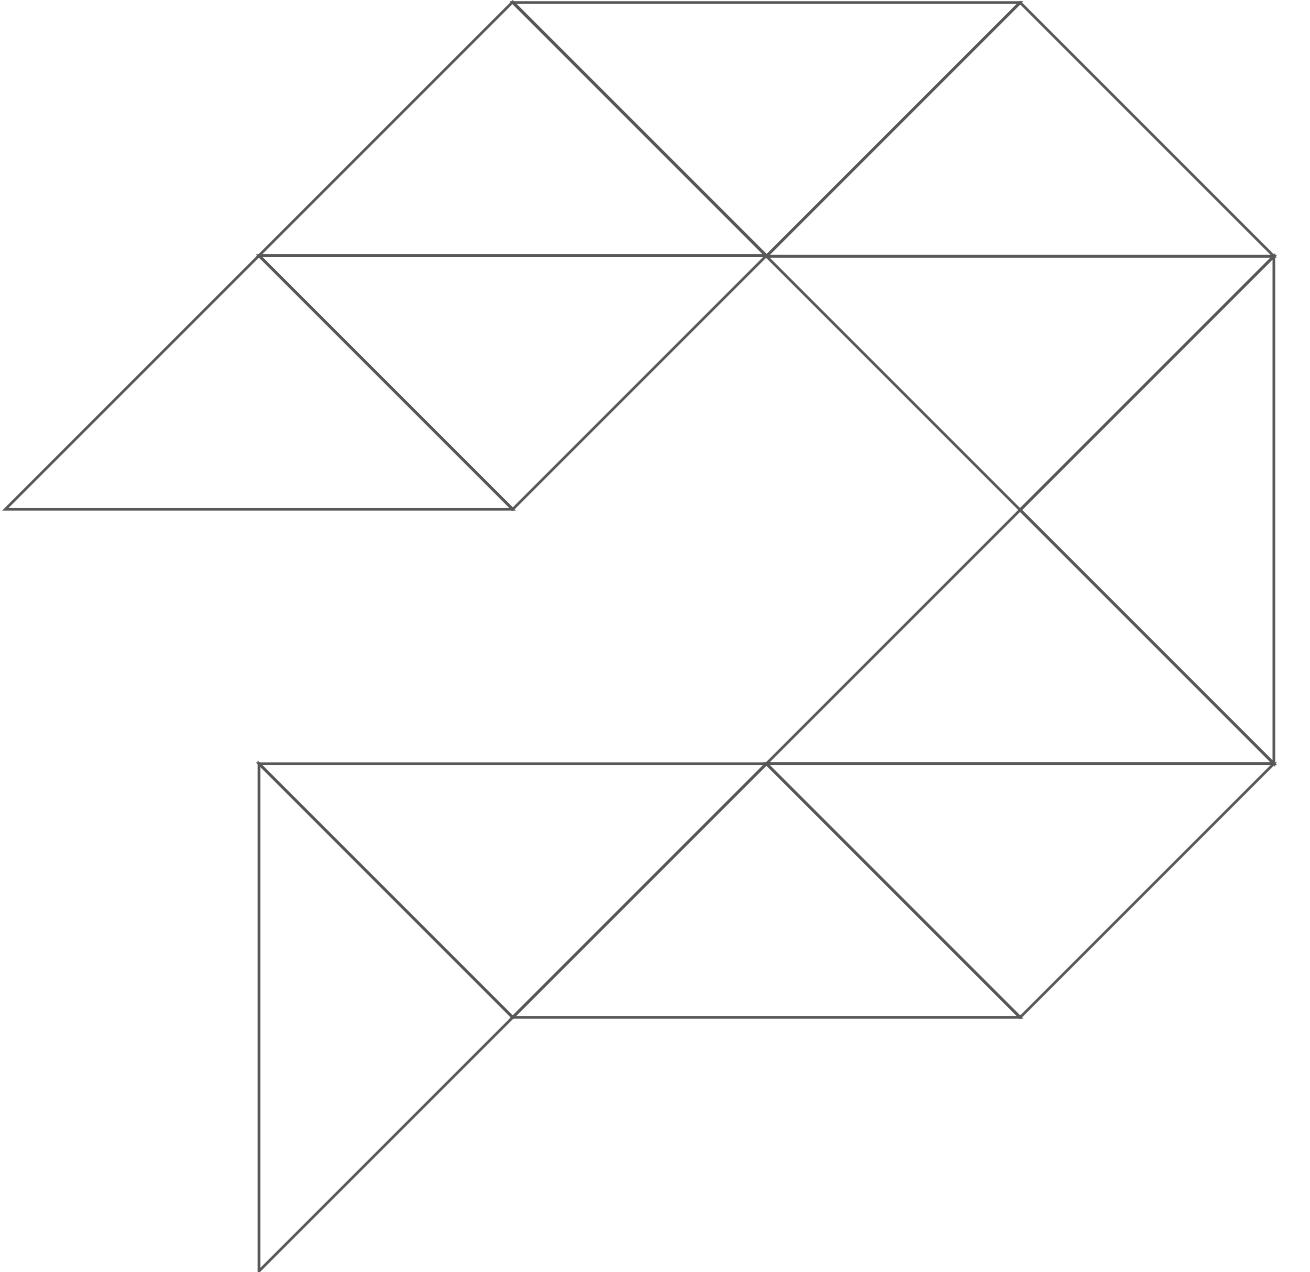

VALUES

Trust & Transparency

Contribution to the Society

Quality Focus

Think Big

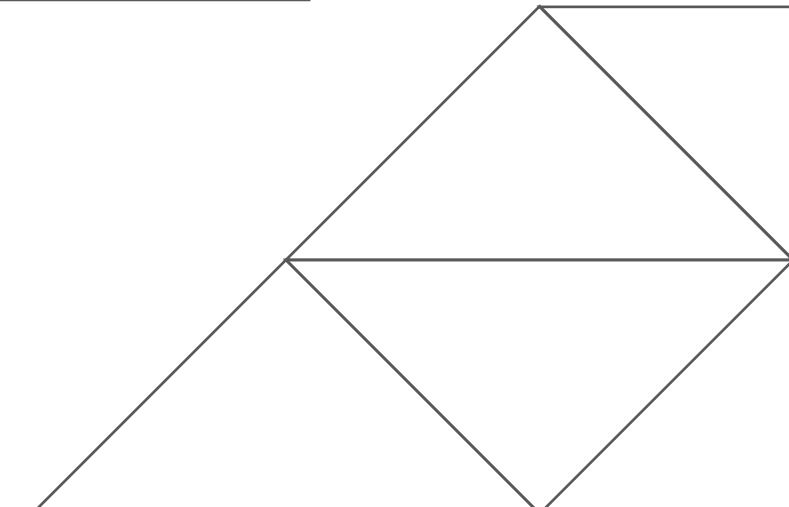

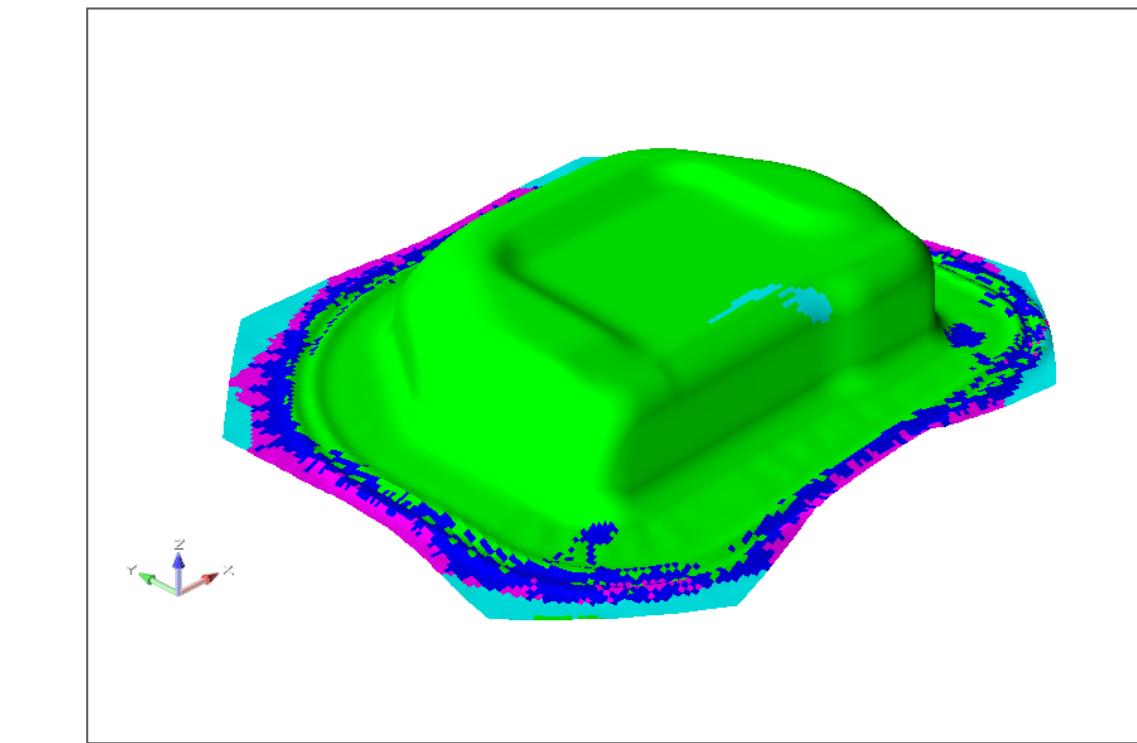

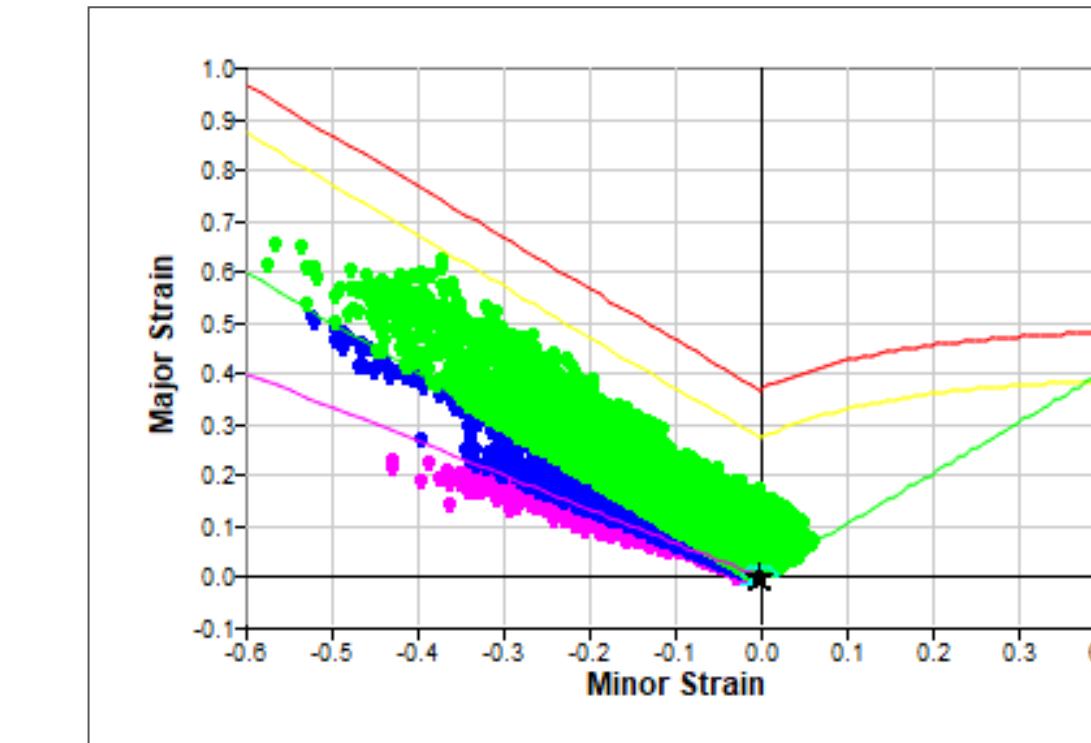

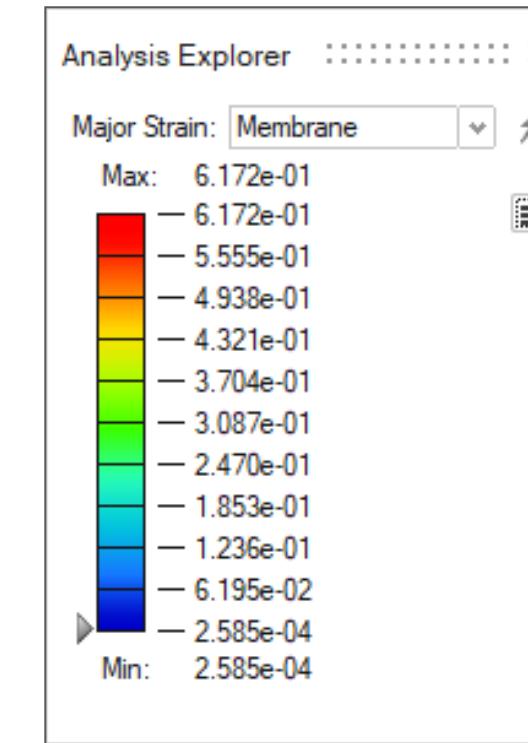

SOFTWARE

The technology is constantly upgraded and the latest technology is incorporated. We use our expertise as well as leading edge technologies and powerful CAD/CAM software.

WE HAVE
INHOUSE
PRESS TOOLS
SIMULATION
FACILITY WITH
ADVANCE
SOFTWARE.

P A N E L

With our vast industry experience and with our domain expertise, we are offering wide range of sheet metal tooling solutions. All the dies are made from finest quality raw material sourced from reputed vendors of the industry.

We are having qualified and trained manpower in this field which is our main asset. Our highly trained & specialized team will manage any design & manufacturing related projects to fit your specific needs. This is accomplished by our strong design, manufacturing & quality assurance team.

CLIENTS

An ISO 9001 : 2015 Certified Company

T - Block, Plot No. 169A, MIDC Bhosari, Pune - 411026, Maharashtra, India.
